Dear Mr. Bauer:

Re: Notice of Intent to Commence Large Mining, Akzo Salt of Utah, Timpie Solar Ponds, M/045/030, Tooele County, Utah

Due to a backlog of permit reviews we have been unable to complete our review of your Notice of Intent received March 11, 1991, within the 30 day period prescribed by our rules. At this time the anticipated date for completion of our review is May 13, 1991. We apologize for the delay and hope this later review date does not cause any serious problems for your operation.

Please contact Wayne Hedberg or myself if you have any questions or concerns regarding this issue.

Sincerely,

Anthony A. Gallegos  
Reclamation Engineer
